

NOTICE TO POLICYHOLDERS FARMOWNER, FARM FIRE

PLEASE READ: This Notice is **not** a part of the insurance policy. This Notice summarizes changes that affect the policy. No coverage is provided by this summary nor does it replace any provision of the policy. You should read the policy and review the “declarations” page(s) for complete information on the coverages you are provided. If there are any discrepancies between the policy and this summary, **THE PROVISIONS OF THE POLICY GOVERN.**

Coverage for solar panels is not provided under Coverage G, Farm Barns, Buildings, or Structures of the Property Coverage form FP-1, whether or not attached to a farm barn, building, or structure. Coverage for solar panels may be provided under optional endorsement CF-2141 Solar Panel(s) Coverage.

Please review the policy carefully and contact your agent if you have any questions.
